Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Wednesday 24 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright with a few showers, these more frequent later.

Today:
Sunny intervals and a few showers. Showers becoming heavier and more frequent from the west later in the afternoon. East seeing the best of the drier and brighter weather. Windy in the northwest.

Tonight:
Clear periods and a few showers, mainly in the west. Becoming mostly dry in the east, with a slight frost in places. Windy across the far north this evening.

Thursday:
Sunny intervals and a few showers, but some drier weather too. Showers becoming more widespread and frequent in the west later.

Outlook for Friday to Sunday:
Cold and bright on Friday with scattered showers, wintry at times especially on hills. Drier on Saturday. Wet and windy on Saturday night, clearing to showers on Sunday.
